

Our Recommended Apps for 2023

Literacy & languages

Writing Wizard

- ★ English
- ★ Spanish

Suitable for ages
4 - 7

Why we love it

- ★ Demonstrates and practices tracing shapes and letters using colourful stickers of animated animals whilst listening to letter sounds
- ★ Children can practice letter names and phonics
- ★ Customise word lists

Numeracy

Doodle Maths

- ★ English
- ★ Spanish

Suitable for ages
4 - 14

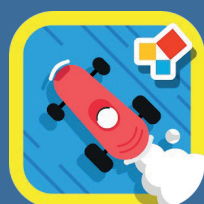

Why we love it

- ★ Doodle Maths sets individualised lessons for children
- ★ Children can play educational games, earn rewards and virtual badges. They can also build a robot!
- ★ Assessing academic progress is automated and easy to monitor

Critical thinking

Code Karts

- ★ English
- ★ Spanish

Suitable for ages
5 - 7

Why we love it

- ★ Easy, fun and engaging way to learn the basics of coding!
- ★ There are multiple levels and obstacles for children to play with
- ★ Children can get a head start in coding from a young age.

Creativity

Movie Adventure

- ★ English

Suitable for ages
4 - 8

Why we love it

- ★ Children can develop their storytelling skills with different backgrounds, characters and music
- ★ Add special effects, unique introductions and closing scenes
- ★ This can be a great group activity for children to interact and build stories together
